

VAULT UNIVERSAL TABLET STAND

UNIVERSAL COMPATIBILITY AND INTEGRATED 180° SWIVEL

Experience the perfect blend of durable, affordable and convenient with the VAULT Universal Tablet Stand. Compatible with all iPad and Android tablets between 7 and 13 inches, this stand guarantees your device will have a reliable companion for years to come. Easily rotate your device 180 degrees for improved customer service. Multiple magnets in the base comfortably guide the tablet into the proper viewing position with a strong, positive hold, and smoothly rotate when needed to interact with your customer, either for checkout or for customer acknowledgement and signature.

KEY BENEFITS

COMPATIBLE TABLETS:

All iPads and Android tablets between 7 and 13 inches wide, including the iPad Pro, iPad Air, iPad, iPad Mini, Lenovo Tab P12 Pro, Pixel Tablet and more.

IDEAL USE CASES:

Counter-top point of sale, visitor management, patient registration and more.

TABLET CHARGING:

A 6' USB C cable is included to keep your device connected to power throughout the day.

LIFETIME WARRANTY

Durably cast with aluminum, magnesium and zinc, the VAULT Universal Tablet Stand is backed with a lifetime warranty.

CARD READER MOUNT:

Works as a mount for card readers and other items for faster checkout.

CABLE MANAGEMENT

Keep charging cables out of the way and present an organized workspace.
