

Connect System Tablet Case

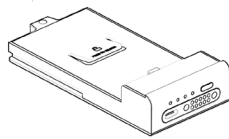

Items Included

Case Body
(1)

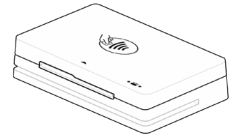

Case Cap
(1)

Sled
(1)

Sled Screw
(1)

Payment Adapter
(Optional)

Before You Start

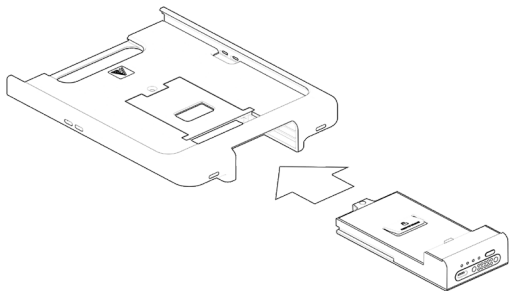

Fully charge the Sled before use. If you bought a Payment Adapter use those instructions first.

Compatibility

This assembly guide applies to all Connect System Tablet Case models.

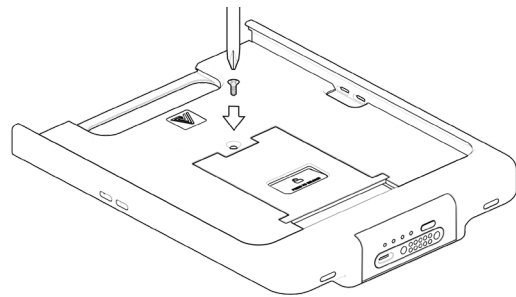

Assembly

Step 1

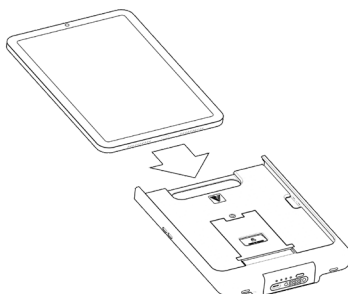

Insert the Sled + Payment Adapter (Optional) into the Case Body.

Step 2

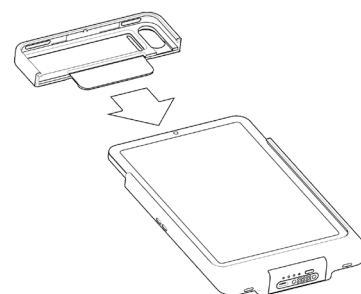

(Optional) Secure the Sled to the Case Body with the Sled Screw.

Step 3

Slide the Tablet into the Case Body so that the Sled USB-C plug fully seats into the Tablet.

Step 4

Slide the Case Cap onto the Tablet to complete the installation. Push until it clicks.
