

VAULT GoWork Pro Case

For iPad mini (7th & 6th Gen)

The VAULT GoWork Pro is a rugged, cable-free mobile POS solution that protects, charges, and enhances in-person transactions with support for a wide range of card readers. Protect your device while accepting payments tableside, on the floor or anywhere else.

Features include:

- ▶ **Mobile Transactions:** Securely mounts to a wide variety of leading credit card readers, including Adyen, Ingenico, MagTek, Square, Stripe and more.
- ▶ **Rugged Drop Protection:** 6-foot drop-tested durability for demanding environments.
- ▶ **Extended Battery Life:** Boosts iPad usage by up to 30% for uninterrupted service.
- ▶ **Seamless Power Delivery:** Pairs with a cable-free charging dock for effortless charging.
- ▶ **Custom Branding:** Showcase your logo or asset tag for a professional, branded experience.
- ▶ **Optional Data Sync:** Power Jamf Pro workflows with Core Data and Pro i5 Bay Charging Station.
