

VAULT Pro Counter Stand

For iPad 11-inch (A16), iPad (10th Gen), iPad Air & iPad Pro 11"

Versatile Customer Experiences

The VAULT Pro Counter Stand for iPad 11-inch (A16), 10th Gen, iPad Air & iPad Pro 11" & 13" enables efficient point of sale transactions, visitor management, appointment check-in and more.

Its rotating and swivel stand, along with compatibility with various card readers, make it an ideal choice for delivering exceptional customer service.

Rotating and Swivel Stand Base

Engage customers with a rotating digital screen and swivel base. Don't need those options? One screw gives you a stable stand for fixed use.
